

ICEWORKS REOPENING GUIDELINES

- Arrive at the building through Rink 3 & Rink 4 lobby doors 15 minutes prior to start of ice slot
- All visitors must wear masks at check-in and sanitize hands. Masks are not required while skating. All figure skaters will enter at the Rink 3 door nearest Rink 4. Only designated skaters can enter the building. Temperatures will be taken at the door. Anyone with 100.4 or more will not be able to enter the building
- Locker room assignments will be designated with limited occupancy
- Skaters must move to designated rink seating to lace skates
- No skaters or coaches are allowed in hockey boxes.
- All skaters must clear the ice at the buzzer and exit the building within 10 minutes through designated doors
- A monitor will be present to answer any questions
- Customers are asked to limit what is carried into the facility.
- Skaters are encouraged to avoid using the restrooms at the facility. Each coach/instructor will provide permission for a skater to use the restroom, and will only extend that permission to skaters one at a time.
- As the situation changes, so may our guidelines. Please continue to work with us to keep everyone safe.
